President's Message

Hello Fellow MI Club Members,

I'm looking forward to 2022 and another chance to get it right. I hope all of you will make a special effort to enjoy every opportunity our traveling life style has to offer. We are blessed with the opportunity to travel North, South, East or West. Our journeys can take us sightseeing high in the mountains or basking on the beaches. We can go hiking, biking, kayaking, canoeing, swimming and sometimes even get in a little relaxation. There is opportunity to meet with past and new friends for pot luck dinners, grilling and an occasional beverage of choice.

On our way to Florida our first fuel stop gave us the bitter reminder of the new higher fuel prices. So, I rebuked the bad attitude and replaced it with, "Honey I can't wait to see how much money we are going to save using this new fuel plan". I'll assume I don't need to tell any of you how that turned out.

The MI Governing Board has been discussing an idea that may be of interest to you and would like your feedback. How would you like to have a "Swap and Shop" section in the MI newsletters to advertise coaches or other items for sale? If this is something you would like to see added in your newsletter, please contact me at jmsblueknight@gmail.com. The board will be working out the details with the assistance of Maxine Schremp, MI newsletter editor.

Another idea for the newsletter is a "Pat on the Back" column for you to recognize an RV related company for a job well done so that fellow members can benefit if the need arises. If you would like to make a submission, please forward the information to Maxine Schremp at mschremp2002@yahoo.com.

Got any good tips for coach maintenance, or places of interest, or outstanding RV Parks or maybe just a great traveling story to share? If so, please send them to Maxine.

For those of you who are in the trip planning process, I want to remind you MI has four upcoming rallies for 2022.

In March we have "Take Me Back to Tucson". This is a pre rally to FMCA in Tucson, Arizona, at the Voyager RV Resort.

Continued on page 2

President's Message continued

In May we hear "Tennessee is Calling". This is a Nashville destination rally and a pre rally to the INTO rally in Lebanon, Tennessee, at the James E. Ward Agriculture Center. If you decide to attend both rallies, and you choose 50 amp with INTO, you will be able to park in the same location for both rallies.

In August we have, "From The Salt Mines To Outer Space". This will be a pre rally to FMCA in Hutchinson, Kansas at the Kansas State Fairgrounds.

In October we have the World Famous, "Balloon Fiesta". This rally will be in Albuquerque, New Mexico. Truly a "Bucket List" item for all.

Several months ago, 111 members completed the rally survey. The MI governing board plans to use the survey results to help plan future rallies. We do intend to use this survey for future MI rallies.

If you would like to volunteer to be a rally master, please contact me at my email address below. The MI Board would like to offer as many rallies as possible to our members but cannot do it without member assistance.

NATIONAL DIRECTORS REPORT

FMCA HEALTH

FMCA growth continues to rebound, adding 514 members since last Summer's Convention in Gillette and now stands at 75,371 members. Over 1,560 RVs are registered for the Tucson Convention, March 23-26, over 200 more than both the Perry and Gillette Conventions in 2021.

The prior Membership/Member Services committee was divided into three Committees in order to put increased, specialized emphasis on three segments: Membership Acquisition, Member Services for Canadians, and Member Services for US based members. All three Committees work closely together, but each has specific goals focused on their respective targets.

UPCOMING CONVENTIONS

At the upcoming Convention in Tucson in March, FMCA will again provide for Chapter Fairs and also Chapter Block Parties. The latter will be held one evening while there are no conflicts with entertainment or dinners and FMCA will again provide \$75 to Chapters who choose to participate in order to increase Chapter membership. Past data reflects that when well organized, the Chapter Fairs and Block Parties have been very successful. FMCA President, Rett Porter, sent invitations out to each Chapter National Director and President. As MI's ND, I have forwarded the invitation to the entire MI Executive Board for consideration. If you will be attending the FMCA Convention, but will not be at the MI Pre-Rally at the Voyager RV Resort, PLEASE let us (Harry or Norma) know so we can keep you informed about our MI activities.

UPCOMING ELECTIONS

In the coming months, five of the ten FMCA Areas will hold elections for their Area Vice Presidents, who serve on the FMCA Executive Board. Area Vice Presidents are elected by the National Directors in their respective area. The Areas holding elections this year are listed below. You must reside in the Area you want to run for office. If you are interested in running for or would like to nominate someone for an Area VP position, the deadline for submitting is March 25th, 2022.

If you would like more information, you may contact Harry Hentschel, MI's National Director, Norma Preston, MI's Alternate National Director, or Mike Sanders, MI's President. The following 5 areas are having elections: International, Eastern, Great Lakes, Northwest and the Western Area.

By the time you read this, we'll be a week or two away from the "Take Me Back to Tucson" Pre-Rally at the Voyager RV Resort.

Our 40 sites are filled, entertainment acts are scheduled, we're finalizing meals and seminars, and attendees are on their way. Thanks to all who are helping to get us ready. We'll have a report on how much fun we had in the next newsletter. Hope to see you at "Take Me Back to Tucson".

Rally Master ,

Carolyn Banks,

Ramblin' Pushers Maintenance Session: We're Back!

After two very difficult years of dealing with Covid-19, we are now looking forward to Spring. For me, Spring is here when I see the first red-wing blackbird perched on a reed in view from the road. That small bird was a sure sign that the season had changed from the dreary winter to a vibrant Spring bursting with new life. For many of us now, the first sign of spring is the annual Ramblin' Pushers Maintenance Session.

Most of our family and RVing friends managed to stay safe and healthy through this Covid period. But our social life was seriously disrupted. Not only was the Maintenance Session cancelled two years in a row, but the MI rally at the 2020 Balloon Fiesta that we co-host with Harry and Sandy Hentschel was also postponed. Both of our favorite motorhome events just disappeared from our travel calendar.

Now the MS is back and our days are filled with making sure this MS is the best we can provide. We can't wait to see our Ramblin' Pushers and Monaco International friends again and learn more about the safe operation and proper care of our coaches. Many of our MI friends are regulars at the MS who, not only attend seminars and sessions but also participate as volunteers who help keep the event running smoothly. Here are the facts you need to know as you plan to attend the 2022 MS.

<i>Ramblin' Pushers MS 2022</i>		
Day	Date	Activity
Wednesday	4/27/22	Early Parking
Thursday	4/28/22	Arrival Day
Friday	4/29/22	MS Day 1
Saturday	4/30/22	MS Day 2
Sunday	5/01/22	MS Day 3
Monday	5/02/22	MS Day 4
Tuesday	5/03/22	MS Day 5
Wednesday	5/04/22	MS Day 6
Thursday	5/05/22	Departure

Attendance at the MS is limited to Class-A diesel pushers and Class Super-C motorhomes manufactured under these brands:

**American Coach, Beaver, Entegra, Fleetwood, Holiday Rambler,
Monaco, Newmar, Renegade, Safari, & Tiffin**

Continued on the following page - - - - -

Ramblin' Pushers Maintenance Session: We're Back! continued

Previous members of Ramblin' Pushers who now own any brand of Class-A diesel pusher or Class Super-C motorhome are invited to renew their membership and resume their participation in the Maintenance Session.

The Ramblin' Pushers mission is *"To provide information to our attendees to help them safely operate and properly maintain their diesel motorhomes and enhance their ownership experience."* We have developed a large collection of technical seminars, non-technical sessions, and creative activities. The seminars address key topics of interest to most of our attendees; systems like the drivetrain, the need for regular maintenance, how to inspect chassis components such as tires and brakes. Other sessions address house systems such as electrical distribution; plumbing; air conditioning and heating; and cooking and refrigeration. Craft classes and RV Lifestyle sessions help to make the coach your own with hand-crafted interior decorations, and other useful items.

Each day of the MS begins with Morning Hospitality where a variety of breakfast selections is available. Also at Morning Hospitality is an announcement period in which changes to the daily schedule and other items of interest to the group are presented. As in any organization, we have a business meeting on Monday evening that is open to all attendees. The business meeting is a time when elections are conducted, and some Board Approved items are presented for membership ratification. These sessions are often quite interesting. Much can be learned by attending the business meeting even if you aren't a voting member. Immediately following the business meeting is our Ice Cream Social where you can feast on a collection of delicious ice cream flavors that run from the old standbys to some really gourmet choices. You might want to skip dessert at dinner to save room!

The MS concludes on Wednesday with a sumptuous catered dinner provided by a local caterer. It is a white tablecloth affair that is served elegantly. Many of us who have attended before know the value of a few plastic baggies or other food containers for leftovers. There are almost always left-overs. The evening ends with remarks from the president in recognition and thanks to our volunteers for their superb contributions to the success of the MS.

For those who have not attended the MS in recent years, the event is continuing to grow and evolve to remain relevant as the RV industry has changed. The Ramblin' Pushers will continue to add quality coach brands to our list of those eligible to attend.

I am happy to invite everyone who reads this article and owns an eligible motorcoach to join us for the 2022 Ramblin' Pushers Maintenance Session. And as you travel to Goshen, watch for the red-wing blackbirds. They will brighten your day.

You Could Win A “Funky Kaleidoscope Quilt”

About a year ago, The Quilt Show ran a four part tutorial on making a kaleidoscope quilt. That presented a challenge using techniques that were different. Not being satisfied with a 36” quilt because there is no place in a motorhome for a picture that size, another challenge was to use the leftover strata and scraps to make a lap size quilt.

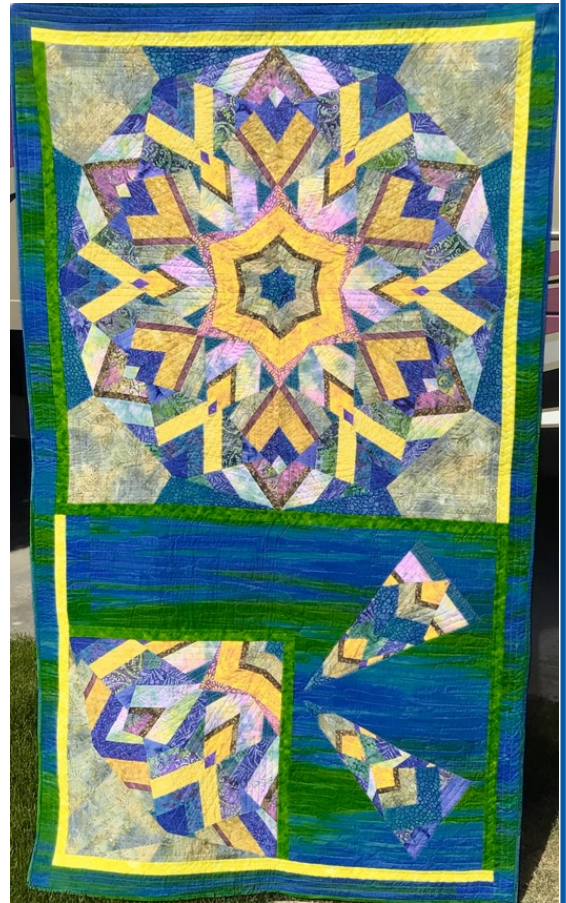

The quilt is made up of 5 sets of strata which each contain five strips of various widths. The pattern is made by taking a 30 degree wedge from an 18 inch square and dividing that 30 degree wedge into 5 randomly drawn sections. Each section is cut out 6 times at the same angles from one matching set of strata.

Confused? It was a challenge, but fun to see how different each quilt would look depending upon the colors and angles of the pattern each person used.

Stop by the Information Table and see the quilt at the “Back to Tucson” rally.

Tickets will be available and the proceeds will go to the charity for the rally while the winner will receive the quilt.

2022 BALLOON FIESTA RALLY October 5th – 9th, 2022

You Are Late - But Maybe Not Too Late! This will be the 50th Albuquerque International Balloon Fiesta and that has garnered a LOT of attention for this year’s Fiesta. All Fiesta RV sites (almost 2,000) were fully booked for all nine days in one and a half hours after the registration system opened!

All eighty spots for MI’s 2022 Balloon Fiesta Rally were filled within nine days and a Wait List initiated. If you are interested in going, we recommend you register on the Wait List at: mirvclub.com soon. Over the past eight years, we have always had cancellations and usually are able to accommodate most that are on the Wait List. The Wait List is worked down from the date applied. You do not have to make a payment until you have a confirmed space.

We have been asked: Since we filled so fast, why don’t we book more spaces. This is not possible!

MI is very fortunate because of our great and long time relationship with the Fiesta and we have been able to retain our eighty spaces. Most groups have been scaled back and/or limited on the number of spaces they can reserve over the past three years. We are blessed to get our past allotment. And, we will continue to work hard to preserve our relationship with the Fiesta Staff.

Treasurer Report

The club treasury is in good shape financially and not in need of a “cash infusion” at this time, however our club itself is in need of a “volunteer infusion!”

Without volunteers, none of the FMCA clubs could function, including FMCA, the parent organization. Volunteers are needed in our club to fill leadership positions, and particularly as rally hosts. According to our By-Laws our club was founded to promote social, recreational, and informational exchange activities that provide for the enjoyment and pleasurable use of family member coaches. This is an international club, therefore we should be having rallies in all sectors of the country. In order to do that we need rally masters! Every rally or motorhome event that you have attended depended on having a rally master or host to organize the event.

We live in a beautiful country, step up and share it with others! FOR EXAMPLE: My wife (Nancy) and I, along with Wilt and Barbara Greenwood, hosted a rally in Lewisburg, WV. last fall. twenty four people got to see a little bit of WV, make new friends, and gain a little weight together. As for the hosts, we enjoyed making the plans. It only took a few phone calls from each of us to make this happen. None of us reside in WV but we had visited Lewisburg and the surrounding area, enjoyed it, and wanted to share the experience.

All of you live in an area or have been to one that is worth sharing. If you would pick a spot you like, plan a rally around it, you would find that it is more fun to share a beautiful experience than to keep it to yourself. Like the old saying goes “it is better to give than receive.”

Planning a rally is not difficult, you are mainly sharing an area’s interesting spots, arranging for motorhome parking and some good eats. Speaking for Nancy and I as well as other past Rally Masters, we would be more than willing to answer any questions and assist you in planning a rally. Consider stepping up and sharing your favorite spots, after all, there are memories to be made and experiences to be had....be a part of creating them!

Greetings!

"From the Salt Mines to Outer Space" is the theme of the August 17-21, 2022 Monaco Pre Rally for FMCA International Rally at the State Fairgrounds in Hutchinson, Kansas. The rally fee includes 4 nights camping with 50/30 full hook-ups in a paved road area close to all the activities. Because we all like to eat, the rally fee also includes a welcome barbeque, 3 dinners, 3 full breakfasts, an ice cream social, and 3 social hours with salad bar. For a small additional fee you can attend the ladies' luncheon and something new, a men's luncheon.

Of course, we will have educational seminars, aqua hot service, bingo with cash prizes, crafts, book/puzzle exchange, yearly Monaco business meeting, and 2 nights of entertainment. We are pleased to have William Florian (former member of the famous 60's group, The New Christy Minstrels) and Helen Russell & Company (Entertainers of the Year as seen in Branson, Mo.).

Our rally theme reflects two international attractions in Hutchinson, Ks. The Cosmosphere International Science Center & Space Museum is the proud home to flown US spacecraft from the Mercury, Gemini and Apollo missions, including the authentic Apollo 13 Command Module, Odyssey. Also you can experience the only attraction in the Western-Hemisphere located 650 feet below ground, the salt mines, Strataca. After a 90-second elevator ride, visitors tour the salt mines' museum and take a tram ride into the raw mined-out salt areas of Strataca. Other attractions you might want to visit are the great outdoors at Dillon Nature Center, the Hutchinson Zoo, Carey Park, Hutchinson Art Center and the quiet little Amish town of Yoder, which has available some of the best baked goods and fine home-cooking.

If you have an area of expertise and would be willing to share it with fellow members, please give the rally masters a call so we can include you in the program. Also we need volunteers for sheriffs, information booth, ice cream social, bar, and mentors.

Go on-line today at mirvclub.com and register or complete the form included in this newsletter. We look forward to welcoming you on your arrival in Hutchinson, KS. at the State Fairgrounds.

The team has been working hard to put together a good and fun rally. The activity director has two great trips planned.

On Sunday, we will meet at the Hermitage for a walking tour of the Andrew Jackson Mansion and Museum.

On Monday, there will be a bus tour to Nashville. The tour includes: Historic Lower Broadway, Country Hall of Fame, Nissan Stadium, Parthenon at Centennial Park, Vanderbilt University, Bicentennial Park and Farmers Market, the Musician's Hall of Fame, Opryland Hotel, Grand Ole Opry House and a self guided tour of Ryman Theatre. Also, a guided tour of Tennessee State Capitol.

Our meals for the weekend include Saturday night Bar-B-Que dinner, Sunday morning catered breakfast, and a catered dinner in the evening. On Monday, sausage and biscuit served as you enter the bus, Bring your favorite drink, coffee, tea, etc.

Still, the *best part* of this rally is meeting up with old and new friends. This rally is going to be a fun time, and if you haven't signed up yet, NOW is the time so you can enjoy the fun and good times.!!

Your rally packet will include location and times for meals, and tour times.

Rally Master,
Walt Nelson

Welcome our new Secretary Lisa Landry

John and I have been Glamping since 1995 when we took our 3 children on a cross-country tour for 3 months. I retired as an RN and presently (for 45 years) am a Skin Therapist/Makeup Artist. I have been a speaker at Christian and business Women's Conferences since 1977.

John retired early from the high tech industry after 37 years with the same company. We have 10 grandchildren and enjoy taking them camping. We have tracked the country many times and fly to the UK for visits to our daughter's family. My skin care business has allowed us the freedom to travel before retirement age. We have been enjoying a cross country trip since May 2021.

Hope to see you in Lebanon.

Lisa Landry

Welcome Our New Members

Membership has declined since my last report. Although, from the members I corresponded with the overwhelming reason for not renewing their membership was that they have sold their coach and are no longer traveling by R V. The good news is that we have had 37 new members join our Club since October. Currently our membership stands at 529 members.
